New Graduate Opportunities

Training = Knowledge = Advancement

At Desert Regional Medical Center, we offer a new graduate program which consists of one week (40 hours) of didactic training and skills labs. The program is designed to increase the knowledge and confidence of the new graduate on the units. In addition, there are unit specific training programs for new graduates in the following specialties:

- Critical Care
- Oncology
- Medical/Surgical
- Labor & Delivery
- Surgery
- Neuro-Trauma
- Telemetry
- Neonatal ICU
- Emergency/Trauma
- Orthopedics
- Acute Rehab
- Medical/Telemetry

When you join Desert Regional Medical Center, you will be a part of a talented team of professionals focused on providing quality healthcare in a community based setting. We offer a competitive compensation, core benefits which start on the 31st day of employment and student loan repayment program. Call us today for more information or to schedule an interview.

EOE

Since 1951, Desert Regional Medical Center (DRMC) has provided medical care and service to residents of the Coachella Valley and beyond. DRMC is a 394 bed, full-service, acute care facility located in Palm Springs, California. Our Joint Commission on Accreditation of Healthcare Organization accredited medical center houses the only designated trauma center serving the Coachella Valley.
